

All organised

Smartstore G3 4 level 900mm wide

Precision will take your organisation to new heights because organisation is simply about efficiency. Smartstore is so efficient we almost called it the 'personal assistant', but then we didn't want to upset anyone.

Smartstore
Generation 3

Sometimes the simplest ideas are the best

Smartstore® G3 is so organised it's scary. This stunning compactum is crammed with the world's cleverest 'right at hand' interchangeable storage and filing options that think like you. Now is that scary or what?

Features

- New slimline 45mm plinth combined with slim shelves increases storage capacity
- Ideal for all office filing and storage needs
- Fully retractable, lockable tambour doors provide a secure and tidy appearance when closed, and allow unobstructed access to contents when open
- Extensive range of interchangeable accessories available to suit your filing and storage requirements
- Adjustable feet within the base allows for levelling over uneven floors
- Smooth scratch resistant powder coated finish in contemporary range of 2 standard Quickship colours with next day dispatch
- 9 Customfit powdercoat colours are also available
- Colour samples are available on request
- Tambour doors have matching colour slats for Quickship option
- Cabinets with Customfit colours feature translucent slats
- ABS slats are available on request
- Acoustic tambour slats are also available
- 100% recyclable; all steel cabinet construction
- Shelves and accessories adjustable at 25mm height increments
- 670h, 1000h & 1200h units available on castors (add 80 mm to height)
- Visit the online configurator to "build" your own Smartstore
- 10 standard size options designed to coordinate with workspace and systems furniture sizes
- Custom sizes available
- Designed to meet industry standards
- 10 year Warranty *
